Get Pro Photo Prints from Labs

Introduce yourself to pro-quality printing of enlargements. This class will introduce you to the tools and techniques that allow you to take charge of the computers at high-quality photo labs. But you may want to handle all the interpretation of YOUR image YOUR way. We'll have 3 sessions: The first will be for installing software on your laptop, selecting images, and ordering prints; Second session will deal with reviewing RESULTS from the first, ADJUSTING YOUR SETTINGS, and ordering more prints; Third session we will again critique results from the second session. We will also CUT CUSTOM PHOTO MATTES and mount your favorite image, ready for framing and presentation.
